The Fourth in Kirksville.

The fact that an entertainment more than usual interest had been advertised, brought a large crowd to Kirksville to celebrate. The recent rains had rendered the atmosphere cool and delightful, and all seemed to enjoy the day, though a large part of the programme was a disappointment.

A salute of 116 guns ushered in the day. The parade took place at 10 o'clock, in which the fire company, Knights of the Macabees and Uniform Rank Knights of Pythias took a conspicuous part.

After the parade the multitude assembled in the park, and was addressed by Rev. Marvin. Hon. F. M. Harrington, Rev. Gillies and others also made short speeches.

The various races advertised created considerable amusement. The fire works at night were very good, but unfortunately a portion of them caught fire by accident and were prematurely discharged.

In the fat man's race Will Hannah took first money, S. J. Miller, second.

In the wheel barrow race, Al. Dyer took first money, George Morgan, second.

In the egg race Betsy Brown took first prize, a five dollar dress pattern; Sally Jones took second prize.

AT STAHL.

The people of Stahl and adjoining country met at a grove on the lands of D. K. Pickens to celebrate the 116th anniversary of American Independence. The day was beautiful, the crowd of people happy. The splendid Stahl corner band furnished the music under the leadership of Prof. Benj. Door.

The people are loud in their praise of Stahl City's band and their preceptor. The attractions were: a swing, a dancing floor, eight stands where pop, ice cream and all necessary refreshments for the inner man could be had. Potato, sack and wheel barrow races, furnished considerable mirth to those who witnessed them.

The addresses were delivered by Hon. J. M. McCall, Rev. Doyle and others. There were several fine, large balloons sent up that floated off grandly until they were lost in the immensity of space. At night there was a fine display of fire works. There were no breaches of the peace, or accidents to mar the enjoyment of those present.

The verdict of the people seemed to be that they were glad that they were here and hoped that they might live to enjoy many returns of our natal day at Stahl.

Benton Township Convention.

The Republicans of Benton township assembled in Sparling's Hall July 2, at 2 o'clock to elect nine delegates to the Republican county convention, which convenes in same place July 9. W. R. Holloway was made chairman and J. R. Musick secretary. The delegates were chosen by ballot. The nine candidates having the highest number of votes were declared elected. The ballot resulted in the election of C. E. Markey, G. A. Giller, C. Borneman, Geo. F. Williams, John Lewis Doug, Murphy, Geo. Morrow, Benj. Barnes, and King Wilson.

On motion R. L. Hamilton was made central committeeman for Benton tp.

W. B. Everhart was nominated for constable.

Enterprise and Liberality.

All the business men subscribed liberally to the Fourth of July fund. But Doneghy did more. He furnished the only merchant's float in the parade, as well as the band wagon drawn by his six colts.

One of the great features of the day was the giving away from Doneghy's float as it passed around the square, twenty-five suits of clothes, eighty pairs of shoes and five pairs of blankets. There was a great scramble for the goods, as they were tossed into the midst of the waiting crowds. The six colts spoken of were reared on Mr. Doneghy's forty acre farm east of town.

Kirksville is to be congratulated on having a business man of such push, energy, enterprise and liberality, and this push, enterprise and liberality will be doubled when A. I. Doneghy now of Springfield, Mo., returns to Kirksville September 1, and becomes a full partner in the business and the firm name again becomes Doneghy Bros.

The Glorious Fourth is over, and R. M. Buckmaster disposed of his entire stock of candies. His stock is now all new, and of the best quality.

The young man was twenty-three years, five months and twenty-seven days old. Mr. and Mrs. Thorson received the sad news July 4.

Brashear Briefs.

The celebration at this place was a grand success. About 1200 people assembled in the city park at an early hour. H. E. Puette of Kirksville, was the orator of the day. The Brashear band discoursed sweet music to the delight of all present. Rev. St. Clair and wife were with the crowd during the afternoon, having arrived from Greenscastle on the noon freight. A Mr. Sever of Knox county gave a very interesting talk to the people in the afternoon. Rev. Molesworth, spoke for a short time to the edification of his many hearers. The four ice cream stands did a flourishing business. Great credit is due the double male quartet for their most excellent music and the manner in which they rendered it. Wm.
